

PARTNER LEVEL

\$500 Per Event*

Specific Benefits:

Because our exhibit areas have a restricted amount of space, Nebraska HIMSS will be limiting the number of vendors who can participate at our events at the Partner Level. Elite and Premium-level sponsorships have priority and all remaining tables are reserved on a “first-come, first-serve” basis.

**The fee (\$500) includes a six-foot table, electricity, internet access, refreshments and lunch for two individuals (a \$380 value). The date and time of payment will be used to determine the priority placement for your organization's booth. Registration fees are non-refundable.*
